

E-MC**R** in collaboration with
Marmara University, Istanbul
presents
4th E-MC**R** 2011

On behalf of the E-MCR and Marmara University, we have a distinct pleasure and honour to invite you to Istanbul, beautiful city of Turkey, on October 27-30, 2011, where we will host the 4th Euro-Med Congress for Radiographers.

It will be the first Radiography Congress held in Eastern Europe aiming in creating new visions and goals of radiography achievement and development. Also there will be an opportunity to discuss recent scientific and clinical achievements, to exchange clinical research ideas in medical imaging, to meet friends and colleagues.

It is indeed great honour for Turkey to host this event - the largest EuroMed meeting of Radiographers.

Sincerely yours

Joseph Castillo B.Sc, M.Sc, M.Sc
Congress Chair

Nuran Akyurt PhD M.Sc
Congress Co Chair
