

GRADUATE SCHOOLS

*Graduate/Postgraduate
Programmes & Degrees*

MARMARA
UNIVERSITY

Institute of European Studies

Göztepe Campus, Kadıköy/Istanbul

The Institute of European Studies was founded to conduct postgraduate/graduate degree programs on European Community affairs in 1987. The Institute is the first academic institution established in Turkey with a focus on European Studies and has engaged in close cooperation with various universities and think tanks from most of the EU countries. It has conducted various projects in collaboration with the European Commission and other EU institutions.

Master (MA) Degree Programmes

- European Law (English & Turkish)
- European Economics & Business (English & Turkish)
- European Politics & International Relations (English & Turkish)
- Political Communication in Europe (English & Turkish)

The Institute has been awarded the title, Jean Monnet Centre of Excellence since 2006. It holds a Jean Monnet Chair and has Jean Monnet Permanent Courses. The Institute also publishes the peer-reviewed bi-annual, Marmara Journal of European Studies in two languages. (English and Turkish) The Journal is the first academic periodical published in Turkey in the field of European Studies.

Doctoral (PhD) Degree Programmes

- European Law (English & Turkish)
- European Economics & Business (English & Turkish)
- European Politics & International Relations (English & Turkish)

The Institute of Turkic Studies carries out political, social, demographic, economic and cultural studies on Turkey, Central Asia, The Caucasus, the Balkans and Turkic communities abroad.

The language of instruction of the institute is Turkish. Its education is provided by distinguished academic staff specialized in regional studies. Its graduates can find positions both in academic and diplomacy sectors.

Master (MA) Degree Programmes With Thesis

- Ataturk's Principles & History of Turkish Revolution
- Old Turkic Literature
- Turkic Philology
- Modern Turkic Literature
- Turkic Folk Literature
- Geography of the Turkic World
- Turkic Art
- General Turkic History
- Early Modern Turkic History

With & Without Thesis

- Information & Records Management
- History of Turkish Republic
- Medieval Turkic History
- Late Modern Turkic History

Doctoral Degree (PhD) Programmes

- Ataturk's Principles & History of Turkish Revolution
- Information & Records Management
- Old Turkic Literature
- Turkic Philology
- Modern Turkic Literature
- Turkic Art
- History of Turkish Republic
- General Turkic History
- Medieval Turkic History
- Late Modern Turkic History
- Early Modern Turkic History

Institute of Educational Sciences

Institute of Neurological Sciences

For further information,
please visit:

www.nbe.marmara.edu.tr/en

Başbüyük Campus, Maltepe / İstanbul

The institute aims to focus on experimental and clinical studies and research on the nervous system, neurological, neurosurgical and psychiatric diseases with an interdisciplinary approach. There are academic staff that specialize on examining and analysing from

perspective of numerous subject areas, namely: neurosurgery, neuroanesthesia, neuropathology, pediatric neurology, pediatric psychiatry, physiotherapy, rehabilitation and electrodiagnostic units at the institute.

Master (MSc) Degree Programmes

- Electrodiagnostic (With Thesis)
- Neuroscience (With Thesis)

Doctoral (PhD) Degree Programmes

- Neuroscience
- Microneurosurgery

Institute of Gastroenterology

For further information,
please visit:

www.gastro.marmara.edu.tr/en

Recep Tayyip Erdoğan Campus, Maltepe / Istanbul

After obtaining formal accreditation from the European Board of Gastroenterology in 2006, the Institute has been at the forefront of gastroenterology patient care and research in Turkey. Its aims are to advance current knowledge and understanding of gut and liver disorders; to expand the number of Turkish scientists working in the fields of gastroenterology.

The Institute's findings have significantly added to the understanding of the pathophysiology and non-invasive biomarkers of metabolic (dysfunction) associated fatty liver disease (MAFLD)

Institute of Islamic Economics and Finance

Göztepe Campus, Kadıköy/Istanbul

Institute of Islamic Economics and Finance (MUISEF) is established within Marmara University in 2019 and aims to carry out studies in the fields of Islam's understanding of economics and finance. It aims to contribute to the development and implementation of an economic system in accordance with the principles and values stipulated by Islam as well as undertaking Islamic finance projects such as development of Islamic financial

products and consultancy on management of Islamic financial institutions. The Institute bears the distinction of being the first institution of its own type established in this field.
